

Join Us For An Experience That's OUT OF THIS WORLD!

A radio announcement...
an excited phone call...
and our sly gumshoe,

Skye Watcher is on the case!

Join the investigation as Skye discovers what happened to the ex-planet Pluto. Track down clues that stretch back hundreds of years as you look into the changing status of planets in our Solar System!

Running time: 30 minutes

Narrated by Star Trek's Kate Mulgrew (Captain Janeway), *The Planets* provides a spectacular tour of our Solar System and beyond! Witness the formation of our Solar System, explore the planets and their moons, and search the night sky for distant stars, nebulae, and galaxies. Audiences will be amazed by the stunning imagery and up close views of *The Planets*!

Running time: 37 minutes

Wild Safari takes viewers on a real life safari for a close-up look at Africa's wildest animals. Join us on a 3,000 mile journey in search of the Big Five...the elephant, the Cape buffalo, the rhino, the leopard and the lion! Never before has wildlife been seen with such realism on the giant screen!

Running time: 45 minutes
